

Opening Invocation

In the name of my Beloved Mighty I AM Presence and Holy Christ Self and the Mighty I AM Presence and Holy Christ Self of each one gathered here past present and future worlds without end, we invoke the electronic presence of our very own Beloved Holy Christ Selves, the electronic Presence of Beloved Alpha and Omega, beloved Gautama Buddha and the Causal body of beloved Goenka. I invoke the healing flame of Archangels Raphael and Mother Mary and their healing angels to be with us now for healing and abundance. Encircle each one of us and our families and loved ones with emerald crystal fire to purify and heal our four lower bodies and heal and dismantle the negative elementals we have created throughout time and space. May the procession of the healing angels bring each of our four lower bodies and elementals into alignment with the way that proves true Christianity and the way of Buddha as one flame.

O' Mighty I AM Presence enter in, occupy and take command and control of the super conscious and unconscious minds. Beloved Holy Christ Self enter in, occupy and take command and control of the conscious and subconscious minds. Let there be the quickening of all compartments of consciousness.

We call to the 13 Archangels to come forth and establish all around us the wall of fire, taking up the 12 lines of our own cosmic and karmic clock. Beloved Archangel Uziel stand with us in the center. Seal, guard and protect us all from all influences and infiltration's from the astral plane, all mutterings and peeps from astral entities, all discarnate entities and possessing demons, all negative habits, thought forms, patterns and momentum's EMF, ELF and microwaves psychotronics, voodoo, black magic, witchcraft, UFO phenomena, implants, all darkness and disease, prayers of malintent, kas, spooks, the horrible group elemental and the forces of anti-Christ within and without. Seal, guard, and protect us from all hypnosis, auto hypnosis, all undue kundalini movements, all remote viewing and astral projections. We call for this to be done to the fullest extent that the Great Law will allow, according to God's divine will. Amen.

Call for Binding the Backlash

In the name of my own Mighty I AM Presence and Holy Christ Self, I call for the binding of the tail of the great dragon Tiamat as it swings as a backlash against the sons and daughters of God and against the holy innocents. We call for the victory for those who are ready to draw forth the Light and challenge the tail of the great dragon—to challenge the misuse of the Sacred Fire and the tail of man's own carnality.

We call to Archangel Uriel to place his electronic presence over us and ask that every erg of misqualified energy being directed against us and the light for which we stand, be as it were directed at Archangel Uriel, and that all those sending forth this negative energy receive the full power of the judgment on the return current! We ask that this call be extended to our families and to all that God Wills and that all vacuums be filled with the Light of the Christ and of the Buddha.

We accept it done in accordance with God's Holy Will, Amen.

Sealing of Session

We thank the Ascended Masters and Heavenly Hosts who have guided us in this work with the Divine Mother and ask that it continue in between sessions. We call for the sealing of all energies such as those misqualifications that have been and will be revealed are transmuted by Violet Flame and all vacuums are filled with the Light of Jesus Christ and Gautama Buddha. We call for all that which cannot be taken at this time to be encircled by Mighty Astrea's Cosmic Circle and Sword of blue flame and to be sealed in orbs of White Fire and Blue Lightning to be held in abeyance until the time of transmutation and righteous retribution.

We call for the God Desire and the will to keep on keeping on and to see this work with the Soul Healing Circle through to its final victory and we accept it done right here and now with full God Power in the name I AM That I AM. According to God's Holy Will let it be done. Amen.
